Ms. Sue Simpson
Spa Director
Beautiful Day Spa
1234 County Road
Denver, CO, 80205

Dear Ms. Simpson,

I would like to apply for the job you advertised today at Jobwebsite.com. I recently completed a 600-hour esthetics training program and received my state license, and I also have previous experience in customer service, as your ad requested.

Your spa's wonderful facilities, service menu, and website all show a lot of dedication to the therapeutic aspects of spa services. It's obvious that your team cares about their work and their clients, and I would love to bring the same level of high-quality customer service.

I consider client education to be an essential part of the whole spa experience, and I am confident that my training and skills (especially in organic skin care products) would be an asset to your spa.

My resume is attached. Thank you for considering this application. If you would like any additional information, please call or email me any time. I look forward to meeting you and would be delighted to schedule an interview at any time that is convenient for you.

Yours sincerely,

Fantastic Esthetician
